At the present time your plenty will supply what they need, so that in turn their plenty will supply what you need. The goal is equality (2 Corinthians 8:14)

Christian Mutual Med-Aid (CMM) is a not-for-profit organization established in 1996 and federally recognized as a 501(c)(3). CMM is a Biblically-based health care sharing ministry through which Christians share God's blessings by sharing the cost of one another's qualifying medical expenses. As such, CMM is not an insurance company and should not be referred to or considered as a substitute for any other type of health or medical insurance.
